The Dangberg Home Ranch Historic Park, located just west of Minden, NV, preserves eight historic structures built 1857-1917, along with a large collection of artifacts dating back to 1809. The buildings and the collection tell the story of four generations of the influential Dangberg ranching family. Heinrich Friedrich Dangberg, a German immigrant, was an early settler of Carson Valley. He, his descendants, and the Dangberg Land and Live Stock Co. were influential in the development of Carson Valley, founding Minden in 1905.

The Friends of Dangberg Home Ranch, Inc., is a registered 501(c)(3) non-profit organization incorporated in Nevada and dedicated to the preservation and operation of the Park. Donations may be tax-deductible. Federal tax ID #27-5385237.
